and all praised Foxfire 5: Ironmaking, Blacksmithing, Flintlock Rifles, Bear Hunting, and Other Affairs of Plain Living (Foxfire (Paperback)):

First published in 1972, The Foxfire Book was a surprise bestseller that brought Appalachia's philosophy of simple living to hundreds of thousands of readers. Whether you wanted to hunt game, bake the old-fashioned way, or learn the art of successful moonshining, The Foxfire Museum and Heritage Center had a contact who could teach you how with clear, step-by-step instructions. The fifth Foxfire volume includes rain-making, blacksmithing, bear hunting, flintlock rifles, and more.
