**The Editors of Creative Publishing international : Frame It Yourself : Matting Framing Step-By-Step** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frame It Yourself : Matting Framing Step-By-Step:

0 of 0 people found the following review helpful. Easy to UseBy Mary J. StruckThis book has many photos for easy to follow instructions. It also has a lot of photos of ideas for different and creative framing. Great to keep around for reference.0 of 0 people found the following review helpful. Frame it yourselfBy DavidI bought this book because I'm starting in the hobby of framing pictures anyone interested this is a good book2 of 2 people found the following review helpful. Great book with many good pictures...By chrisI'm new at matting and I found this book (along with one other) to be my two most referenced books on the topic. Great pictures!

Readers can achieve professional results and enjoy substantial savings by learning to frame it themselves with this

handy resource that discusses designing, preparing, and assembling mats and frames.
