**Victoria Brown : Frames: Over 20 Decorative Projects for the Home (Inspirations Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frames: Over 20 Decorative Projects for the Home (Inspirations Series):

Framing is one of the quickest and cheapest ways to add decoration to your home. These inspirational projects show how to adapt and revamp old and shop-bought frames as well as how to create your own frames from a range of materials.
