Aaron Brothers : Framing Techniques Decorating Ideas before purchasing it in order to gage whether or not it would be worth my time, and all praised Framing Techniques Decorating Ideas:

0 of 0 people found the following review helpful. Framing IdeasBy Swell Kell was disappointed with this book. It has some nice pictures but I was not impressed with the content. I guess I expected it to have more framing techniques and more about framing in general.10 of 10 people found the following review helpful. An excellent do-it-yourself guideBy Midwest Book ReviewFraming: Techniques Decorating Ideas presents the collected wisdom of the Aaron Brothers, who have been custom framers since 1946. Chapters discuss the basics of framing, wall arrangements, photo frame vignettes, matting, custom framing, hanging artwork, tools of the trade and how to use them, and much more. Color photographs illustrate this detailed and candid "how-to" book on every page, expressly revealing the tips, tricks and techniques of professional-quality framing. An excellent do-it-yourself guide.

The experts at Aaron Brothers, who have been offering custom framing since 1946, share their know-how in a presentation of the varied and wonderful ways of choosing, decorating, and using frames. Not only do snapshots get the royal treatment, but also artwork, textiles, jewelry, documents, and collectibles. Find out about the many fantastic styles available, from box and clip frames to closed-corner and float frames to shadow boxes and scrapbook frames. Consider what size is appropriate, which mats and glass work best, and what motifs suit your lifestyle and the showcased object. Every page offers beautiful ideas for arrangements, vignettes, and great groupings on the wall or

table, as well as suggestions for unusual items to frame that really make a statement.
