**John Hancock Insurance Co. : FRAMING THE DECLARATION OF INDEPENDENCE** before purchasing it in order to gage whether or not it would be worth my time, and all praised FRAMING THE DECLARATION OF INDEPENDENCE:

Erected to serve as a state house for the Colony of Pennsylvania, Independence Hall in Philadelphia became a national shrine through the adoption within its walls of the Declaration of Independence by Second Continental Congress in 1776. This landmark is also famed as the meeting place of the Convention of 1787 which framed our nation's Constitution. Restored in recent years to its original appearance, Independence Hall today serves as a historical museum, impressing every visitor with the priceless heritage of liberty and freedom therein endows upon us by our Colonial fathers
