Suzanne McNeill : Friendship Bracelets 101: Fun to Make, Fun to Wear, Fun to Share (Can Do Crafts) (Design Originals) before purchasing it in order to gage whether or not it would be worth my time, and all praised Friendship Bracelets 101: Fun to Make, Fun to Wear, Fun to Share (Can Do Crafts) (Design Originals):

14 of 14 people found the following review helpful. Unique and more advanced designs than the typical booklet.By dинthI bought this for teenage boys who need coping skills to manage anxiety. The designs in this book are good, complicated enough for older teens and adults, the only downside is the photos on the front of the book are of young kids who look kinda goofy, so it was hard to 'sell' to the boys. Without the cover it would be great!7 of 7 people found the following review helpful. Great for kids to learn how to make theseBy BilbosRingI remember making these when I

was in high school I bought this for my 7,6,5 year old granddaughters. We made one for each of them and they loved doing it. Hope other grandmas or pas who know how to tie the knots do these with their grand kids it was fun!5 of 5 people found the following review helpful. All the basic pattern for beginnersBy FranI bought this for my granddaughter. It had all the basics for anyone getting started making friendship bracelets. It is full of color pictures and great for the beginner.

Easy-To-Follow Instructions For Knotted Bracelets With Embroidery Floss. Colorful Bracelets Are Fun For Kids And Teens.
