Double your delight with this doll-quilt combination. The pattern for the dolls includes four interpretation of the dolls with examples to complete the doll faces. Detailed instructions are provided for adding adornments, such as hair, for the dolls. Dresses for each doll are created using a twisted log cabin design with a variety of fabrics to add color distinctions for each. Accessorize your quilt with applique and buttons.

About the AuthorA former DNA scientist, Rami Kim has transitioned into an internationally known fabric artist and

quilter. She specializes in contemporary art-to-wear, quilts, and cloth dolls, but her passion is in three-dimensional textures of distinctive color and technique. Rami has been a consistent Best of Show Winner at quilt shows since 1997.
