**Laura Wasilowski : Fusing Fun! Fast Fearless Art Quilts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fusing Fun! Fast Fearless Art Quilts:

7 of 7 people found the following review helpful. Has a little information but overpriced By J King If you don't know where to start with fusing a wallhanging or decorative quilt, this book has some good pointers. It is especially good for describing the steps to take for fusing the "glue" and applying the resulting appliques, but that's about it. The projects are extremely elementary, which would have been fine, except the price of the book implies something a bit weightier, in my opinion. The pictures are of extremely poor quality. It is obvious that the colors are much darker than the original pieces and the colors are dull (except for the cover picture). I think most of the information in this book can be easily found in a brief online search. 0 of 0 people found the following review helpful. It really is fun and am glad I bought this book By K. Allen This goes with the fuse and tell book by Laura too. It really is fun and am glad I bought this book. Lots of ideas for projects and good how-to information for a fun non sewing way to do decorative wall

items and more. I mainly use the fusing I learned in this book to make "Fabric pictures" that I sew on afterwards to make art quilts out of them, or just embellish with beads and stuff to make it really funky and fun. 3 of 3 people found the following review helpful. Follow a few simple instructions and you too can make art quilts. By Diva 'Dorothy' After watching Laura Wasilowski's demonstration on The Quilt Show I decided I must have her Fast and Fearless Art Quilts publication on my bookshelf. Not that the book is on the shelf much; as I constantly refer to it when Fusing quilt tops. There are many fusing books on the market however this is one of my favourites. I sew a lot of quilts and so I have lots of scraps left over...this fun way to do quick and easy Art Quilts is going to make a dint in my scrap bag. Thanks Laura.

Important Note about PRINT ON DEMAND Editions: You are purchasing a print on demand edition of this book. This book is printed individually on uncoated (non-glossy) paper with the best quality printers available. The printing quality of this copy will vary from the original offset printing edition and may look more saturated. The information presented in this version is the same as the latest edition. Any pattern pullouts have been separated and presented as single pages. If the pullout patterns are missing, please contact ct publishing.

About the Author Laura Wasilowski can't keep her hands off fabric, whether she's creating her own line of hand-dyed textiles or creating award-winning art quilts.
