Four Stars By Tica D Love it but just not enough pages to color! 1 of 1 people found the following review helpful. Can not get enough of the Sprites! By LeAnn This is just so cute and fun. The book has several different sprites wearing different Garden outfits. Its fun and enjoyable and relaxing to sit and color.

A delightful half-sized coloring book from Mitzi Sato-Wiuff. 12 pages of flower sprites to tuck into a purse or travel bag. This mini coloring book is 'pretty easy' and suitable for children or grown-ups. The Ellen Million Graphics collection of fantasy adult coloring books features gorgeous, detailed linework by dozens of talented artists in fantastic themes. Each staple-bound coloring book has a sturdy, glossy cover and bright white, smooth, medium-weight pages that can handle most media -- even markers and some light watercolor (a backer layer is suggested for markers that bleed through). Pages are printed one-sided and the size is 5.5 x 8.5 inches.
