make you want to jump right in to it. Recommended to new and old! 0 of 1 people found the following review helpful. Decided to get into scrapbooking, here is my start. By limacamp Still trying to get used to the how to books on Kindle. I should probably stick with novels and reference type books. It is harder for me to work with a Kindle copy of the book, but I have more information now than when I started. 0 of 2 people found the following review helpful. Getting started with scrapbooking By Dean S. Because I never did receive these on my kindle but paid for it why did you not put it on my kindle I was needing it

Welcome to the world of scrapbooking! "Getting Started With Scrapbooking" speaks to those who need instruction as well as encouragement and inspiration. The abundance of pictures make it almost possible to read the book without reading the words. Addressed immediately are some of the most common reasons people hesitate to start their first scrapbook. This book offers practical advice from a real-life scrapbooker who has learned lots of tricks over many years of experience working at her craft.
