Wonderful Book for Floral ArrangementsBy Shirley George FrazierThe subtitle, 75 Fun and Easy Crafts Projects, is the book's main focus, not the traditional methods of creating gift baskets filled with foods and gifts.It shows you, in vivid detail, how to dress empty baskets for each season and showcase them throughout your home or give as a gift to someone who'll do the same.Many of the projects encompass floral arrangements, as shown on the book's cover. Other projects include baskets filled with decorative Easter eggs, shells, sewing supplies, and fresh foods for picnics.This is definitely a book for a person who has lots of baskets but doesn't know how to put them to use in and around a home. You'll be pleased to stop storing baskets and start creating attractive areas on porches, in entry areas, and kitchens.Shirley FrazierThe Gift Basket Design Book, 2nd: Everything You Need to Know to Create Beautiful, Professional-Looking Gift Baskets for All Occasions85 of 86 people found the following review helpful. 2 stars if you want to learn how to make true gift basketsBy A CustomerThis book would get more stars from a craft-oriented person looking to make holiday gifts or centerpieces for family occasions. The title is misleading, in that it does not teach you anything about how to make, wrap and market true gift baskets in the sense that phrase is used by the "gift basket industry."

Baskets containing seasonal delights are perfect for gifts or home decoration. This captivating book contains 75 fun and easy projects and ideas for making, filling, and decorating baskets. All with a seasonal theme, the baskets celebrate holidays including Valentine's Day, Easter, Thanksgiving, and Christmas, and are wonderful gifts for such special occasions as birthdays and anniversaries. The projects encompass a wide range of styles and techniques, from traditional country crafts using flowers, foliage, and herbs to more innovative ideas using materials as diverse as candles, sculpting clay, cookies, and chocolate. Bountiful baskets of all shapes and sizes are filled with decorative objects or edible treats, including: * Fresh and dried flowers* Decorated Easter eggs* Gingerbread men* A picnic spread* Seashells* Ripe summer fruit* Aromatic oils and herbs* Wheat and corn dolls* Sewing materials* Bright craft beads* Christmas specialties There is a detailed "recipe" for creating each basket, with clear step-by-step instructions. Even so, each of the projects may be modified to allow for individual interpretation and creativity, making them memorable gifts and decorations.

.com This colorful book of crafts is loosely organized around a seasonal theme, and consists mostly of instructions for making the items that go inside: sachets, cornstalk dolls, herb oil, dried flowers, Eastern European-inspired Easter eggs, and numerous other folk-art items. The Noah's Ark dough basket with its tiny dough menagerie is tremendously appealing--there's a real sense of fun here. Lloyd has put together 75 projects that will brighten your home or delight a friend. . . . You'll be inspired to try your hand at creating your own gift basket. -- Asbury Park Press, 6/12/97
