By Hayden This book told me everything I hoped it would in regards to making cheap holiday gift jars. It really covered the what, why, and how to do everything. The tips for assembly and layering were extra nice so that you don't do a shoddy job creating a nice gift for someone. Each recipe was neat how it was unique to the specific holiday. The Halloween Candy Corn Cheesecake recipe is DELICIOUS! If you are looking for a neat way to make some cheap gifts for family members, friends, or even teachers then is a great book for you. 0 of 0 people found the following review helpful. Versatile gifts for all occasions throughout the year. By Alastair McKinley Holiday is fast approaching and I need to rush the Christmas gifts for my family and friends and what I've got handy right now is this book. This is so perfect for me, with all the easy to follow procedures and recipes with the ideas and artistic crafts suggested by Newman anyone can make your DIY gift jars. It may come in all possible sizes and use of any food mixes, candies, cookies, or just about anything that can fit into your jar. Freely use your imagination and let loose your artistic side on creating or designing the content and lid of the jars to make it presentable so that anyone who shall receive it will be mesmerized on how creative and thoughtful you are that you have put your effort on your special gift. I'd like to try Luck Rainbow in a Jar for my school age niece and nephews and do Bath Salts for my girlfriends. There are just a lot of varieties to choose from and every suggestion by Newman is worth a try, I'll surely have fun creating them and at the same time giving them to my love ones surely is fulfilling. Great book.
