**Kay Kinney : Glass Craft: Designing, Forming, and Decorating** before purchasing it in order to gage whether or not it would be worth my time, and all praised Glass Craft: Designing, Forming, and Decorating:

Basic techniques for different types sheet glass: laminating, firing, molds for bending. Enameling glass, metals, screen. Stained glass, novelty glass, bottle glass inner surface coloring. Many glass decorating techniques. Final section "Glass Clinic" on frequent questions of overfiring and underfiring, bubbles, etc.
