Sonia Lucano : Glass Engraving: 25 Projects for the Home before purchasing it in order to gage whether or not it would be worth my time, and all praised Glass Engraving: 25 Projects for the Home:

1 of 1 people found the following review helpful. Great Help for any one!By Elizabeth G. MaranLove the ideas, the methods and the results. This is a way to make your peaces not the cookie cutter looking decorative or use fill items. In your home, office or gift. what ever the reason or use for the Items, awesome way to complete it or them.0 of 0 people found the following review helpful. LearningBy SharleenGood book to have when learning glass engraving5 of 6 people found the following review helpful. Recommended for libraries strong in basic crafts introductionsBy Midwest Book Review25 projects help home crafters turn ordinary glass into pieces to give as gifts or display around the house, pairing color images with text in a guide where all displays are featured as templates. The patterns and illustrations are lovely, clear accompaniments to this beginner's engraving guide, recommended for libraries strong in basic crafts introductions.

Turn everyday glassware into modern, custom pieces perfect for your home. With Sonia Lucanos Glass Engraving, you can turn any bowl into a conversation piece, design wine glasses to toast a special occasion, or create a personalized vase to use as a centerpiece. All the projects require only an inexpensive engraving tool available at craft stores, and the simple skill of tracing. The dozens of templates provided will enable you to add florals, modern geometrics, or text and monograms to any glass surface, including mirrors. The personalized pieces you create will also make a perfect giftone that can last a lifetime! With Lucanos guidance and advice, you can master this simple craft quickly and transform your home with one-of-a-kind designs.
