Five StarsBy Cape Cod GrammaPerfect for our "Christmas in July" celebration....and stocking stuffers for those who still actually WRITE letters!!0 of 0 people found the following review helpful. Pretty- A few needed to be cut betterBy Bulldog MomThese are very sweet! I used them to make a regular Kraft envelope prettier. I made cards for our local elder care so they were just perfect!! Some of them aren't cut as well so I tore a few. My only suggestion would be making sure the stickers are cut completely ..0 of 0 people found the following review helpful. Nice Christmas product.By Brooklyn BrowserThese are a lot of fun for Christmas wrapping - my family has enjoyed for years. Smaller books than in the past, but still very much worth it to look at

these traditional Christmas images. the glitter is a nice enhancement.

Thirteen glistening Christmas stickers recall those charming visions of Christmas past. Included are images of an old-fashioned Santa bearing gifts, rosy-cheeked children dressed warmly against winter's cold, excited moppets gathered around a festive tree, and other heartwarming scenes.
