Overall, this is a lovely book with excellent photographs that are artwork unto themselves and a good stitch guide in the back. The greatest flaw is several beautiful works shown in photograph only with no pattern.0 of 0 people found the following review helpful. Beautiful Needlepoint PatternsBy Marlene B.I was so lucky to be able to get these beautiful patterns to needlepoint. I can't wait to get started.0 of 1 people found the following review helpful. great and good experience.By Austini have bought one before, so fast, receive it next day , very nice . This is the first "larger product" in our kitchen collection. Thus far (one week), it is sharp, performs well for chopping and slicing, and has excellent balance and weight. Time will tell how it retains its edge and resharpens. very nice .

From the author of Glorafilia: The Impressionists in Needlepoint comes a lovely collection of 16 exquisite needlework projects. Despite their fine detail, all of these projects are easy to make--some of them can be completed in just two evenings. The authors provide close-up photographs and full-color, easy-to-follow charts that clearly show every
