It has many usable ideas for young kids, older kids and adults as well.This price was right!22 of 23 people found the following review helpful. Great little bookBy S. CasazzaThe book is a quick read, but it is full of clever ideas for duct tape craft projects. It is a very visually appealing book with lots of pictures. The range of projects are from quick easy to elaborate. This book fully met my expectations.3 of 3 people found the following review helpful. "great book"By Rebecca SandersonI love this book. Its vary help full. Shows you a lot of fun duck tape crafts. I wont buy it if you don't like duck tape or don't like crafts like this.
