Great bookBy D. BurckhardGreat books to give me more ideas to use my AccuQuilt cutter-love all the Go books. some of the pattern will not work for the baby but I have the full size.4 of 4 people found the following review helpful. Go book Go! ScrappingBy Tiny BubblesI love this pattern and I am totally going to make it. The Go Die

Cutter is going to make these very precise for me and I will not have to cut these little parts myself. I bought the book because I love the colors of the quilt and plan on making the same quilt in the same colors. I would recommend this book. The book is awesome.

Now readers are able to save time and money as they turn their scraps into stunning quilts with the 11 patterns featured in this guide, all designed to make the most of scraps and the AccuQuilt GO! and GO! BABY cutting systems. Inspirational quilt designs and step-by-step instructions help readers make fabulous scrappy quilts much more quickly than traditional cutting will allow. Quilters who are ready to move beyond basic shapes and explore the options of die cutting including double cuts and scraps will find all of the guidance and encouragement they'll need in this book that offers endless possibilities.
