I used to really love reading these, but now they are simply mostly filled with plain arts and crafts with few if any recipes. I was disappointed. I expected more recipes, and nothing in the crafts section caught my eye.Lest you think I'm a hater, I love most Gooseberry craft cookbooks. I just saw nothing of interest in this book. I'm returning mine.8 of 8 people found the following review helpful. I never thought I would say it, but I am disappointedBy JM

WilsonThis one just doesn't have the usual cute fun crafts and gift ideas that I normally associate with Gooseberry. :(2 of 2 people found the following review helpful. DisappointedBy Julie A. SchroederThis will be the last one I buy. The craft ideas have turned to focus heavily on card making and paper crafts, and what's with all the felt projects? I had hoped felt died out in the 70s. After 15 years, I see some of the craft ideas and recipes repeating.
