BlackI love all Gooseberry Patch books, but the holiday ones have a little something special. Everything I've made from any of their cookbooks has been a big hit with friends and coworkers. Farmhouse Christmas is divided into: Farmhouse Breakfasts, Home-Style Beginnings, Fireside Soups Breads, Cozy Kitchen Suppers, and Homemade Desserts (my personal favorite), but also has Holiday Trimmings, Christmas Past (stories from readers), Holiday Magic for Kids (crafts), and Homespun Handiworks. As always, I love the illustrations, and the little notes or asides like, "Don't forget your four-legged friends! Give your puppy a festive sweater and your cat some catnip!" (I don't have a puppy, but the cat did get catnip). If you've never used a Gooseberry Patch cookbook, I highly recommend the holiday ones!0 of 0 people found the following review helpful. Whether you live in the city, suburbs, or rural America, you'll find yourself going 'over the river and through the woods' to a real country holiday with the 5th in this Christmas series from the heartland's Gooseberry Patch. Homespun charm shines on every page of this Christmas classic, with over 125 excellent photos and illustrations. From recipes that tempt the palate with old-fashioned goodies like dark chocolate caramels and buttery toffee to the functional charm of a chenille snowman draft-stopper, this is the sort of book that promises and delivers a Christmas to remember. When the goal is the look and feel of a warm country holiday celebration, Gooseberry Patch Christmas-, Book 5 is the perfect departure point.

About the Author Back in 1984, Vickie Hutchins and Jo Ann Martin, next-door neighbors raising their families in the little town of Delaware, Ohio, started Gooseberry Patch. They were two moms with small children looking for a way to do what they loved and stay home with the kids too. They shared a love of home cooking and making memories with family friends. After many a conversation over the backyard fence, Gooseberry Patch was born. They put together the first catalog cookbooks at their kitchen tables and packed boxes from the basement, enlisting the help of loved ones wherever they could. From that little family, Gooseberry Patch has grown to include an amazing group of creative folks who love cooking, decorating and creating as much as Vicki and Jo Ann. Hard to believe it's been over 25 years since those kitchen-table days. Today, Gooseberry Patch is best known for homestyle, family-friendly cookbooks. They love hand-picking the recipes and are tickled to share their inspiration, ideas and more with you. One thing's for sure, they couldn't have done it without their friends all across the country. Whether you've been along for the ride from the beginning or are just discovering Gooseberry Patch, welcome to the family!
