Judith Levy : Grandmother Remembers 30th Anniversary Edition: A Written Heirloom for My Grandchild before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grandmother Remembers 30th Anniversary Edition: A Written Heirloom for My Grandchild:

6 of 6 people found the following review helpful. It's a great way to reminisce and save memories for a lifetime By Ann Dailey I bought my first book at Barnes and Nobles as a gift for an 85-year old woman. The family takes turns completing the pages. It's a great way to reminisce and save memories for a lifetime. This gift was so well received, both my mother and aunt wanted their own copy. Imagine my surprise when I found such a great price on . The product shipped to my home in less than 1-week good as new. Both women plan to complete the books and give as

gifts for Mother's Day. I highly recommend this gift to anyone, especially someone who has everything.^{2 of 2} people found the following review helpful. Wonderful Book
By E. Woods
I wanted a good quality book to stand up for years to come. I received the Grandmother Remembers: A Written Heirloom in the 1980's for a Grandchild, and found it very well made and laid out very nicely. It is easy to write on good quality paper. It begins sentences and that was helpful to me. Blank pages would give more room but not provide interesting questions to prompt memories. I am buying four more today for grandchildren who are young adults now.^{1 of 1} people found the following review helpful. A prized possession
By sarcastchick
I purchased 2 of these for Christmas for my mom and mother-in-law to complete for my daughter. I have an older version that my grandmother did for me over the course of several years and now that she's gone, it's one of my most prized possessions. I look forward to my daughter getting to know her grandmothers through these pages.

Grandmother Remembers is the original, bestselling keepsake book for grandmothers to record important memories, family traditions, favorite recipes, and special stories to pass along to their grandchildren. With more than 1.6 million copies sold, the book continues to appeal to new generations of grandmothers. This beautiful classic includes specially designed wrapping paper and a notecard with envelope for convenient gift giving.

About the Author
Judith Levy is the author of several keepsake books, including Grandmother Remembers Holidays. She and her husband, Herb, were named Grandparents of the Year in 2007 for the state of Florida, where they live.
