**Nathan Herald : Graphic Novels for Young Readers: A Genre Guide for Ages 4-14 (Genreflecting Advisory Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Graphic Novels for Young Readers: A Genre Guide for Ages 4-14 (Genreflecting Advisory Series):

This genre guide to graphic novel reading interests helps librarians and teachers choose titles appropriate for children and 'tweens.

"This newest addition to the Genreflecting Advisory series offers ample confirmation that graphic novels are becoming staples of library collections. School and public libraries will find it helpful to have this baseline guidance for both collection development and reader's advisory." - Booklist  
"Librarians looking to beef up their graphic-novel collections will do well to get their hands on this valuable volume. . . . A thorough, well-organized, one-stop shop for quality graphic novels." - School Library Journal
