## Lora Irish : Great Book of Fairy Patterns: The Ultimate Design Sourcebook for Artists and Craftspeople

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Book of Fairy Patterns: The Ultimate Design Sourcebook for Artists and Craftspeople:

0 of 0 people found the following review helpful. For Art students only By Neem This is not at all what I thought it would be. When I did that "look inside" thing what I saw was full color renditions of different fairies. But the book is 90% black and white outlines of fairies. I wanted to get some ideas for making fairy outfits for my grandchildren for the Ren Fair. I'm not an artist so it may have been my ignorance about the artistic presentation. But for me it was a real

Create your own fairy art from more than 70 patterns! Fairies have captured the imaginations of artists for eons. Here, in this guide for artists, Fairy aficionado and artist Lora Irish shares tips, techniques and all the information you need to get started on your next fairy painting, carving, illustration or other project. Bring the magic of fairies to your art. Dozens of original fairy patterns, along with tips and techniques for artists and craftspeople working in all mediums.

Faeries, butterflies, mushrooms, dragonflies, flowers, bees, and more; the various ways to assemble them; how to change Fairy poses and dress; a section on how to develop a color chart; plus patterns, patterns, and more patterns! Even includes a brief "History" of the Fairy! All these, and more, are included in this great sourcebook! The many, many patterns in this wonderful book by Lora Irish should be of use to any crafter interested in the Fae: carvers, quilters, painters... Or, even just copy the patterns and put together a fabulous coloring book for a young one. (or one young at heart!) The uses for these patterns are limited only by your own imagination! Fairy patterns are divided into sections by type, and include: Flower Fairies; Pixies; Angels; Traditional Fairies; and Modern Fairies (with even the "Rock 'n' Roll" Fairy not overlooked!) An incomparable book, to be brought out again and again!Another title from Fox Chapel Publishing that you'll find interesting is the "Great Book of Fairy Patterns" by Lora S. Irish. This is the ultimate design sourcebook for artists and craftspeople. It features over a hundred patterns, some of which are suitable for garden decorations as well as ones suited to quilts, woodworking, and other mediums. Appropriate for craftspeople of all levels, the projects feature various alternatives, such as different poses, settings, and outfits. Those interested in fairy gardens will also enjoy the introductory chapter on the history of fairies.From the Back CoverA Popular Theme for Any Arts and Crafts Project Lora S.
