Great Book about Lionel TrainsBy Dienzel DennisThis is a great book about Lionel written by a great Model Train Hobbist.I recommend this book to anyone who is interested in Lionel Trains.

Learn: The history of the company and trains that sparked the imagination of millions of children; how to solve wiring problems; repair and maintenance hints; how to craft authentic detailed scenery. Includes: techniques of layout design and tricks of realistic track work; advanced projects by thirteen railroading and design experts; an annotated bibliography; a glossary of real and model railroading terms; 50 color photographs of beautiful, detailed layouts and trains.
