Annette Claxton : Greeting Cards (Art of Crafts) before purchasing it in order to gage whether or not it would be worth my time, and all praised Greeting Cards (Art of Crafts):

Part of the ART OF CRAFT series, Claxton provides information on the history of greetings cards, tools of the trade, examples of creative material, step-by-step instructions for 32 projects including heirloom cards, gift tags and coordinating wrapping paper, ready to use templates and extra tips and ideas.

From the PublisherWhatever the season, you will never again have to search through store racks for a special greeting card. Here is a wealth of ideas for making your own cards. Linked to seasonal and other special occasions, the 32 diverse projects include heirloom and holiday cards, quick-and-easy themed cards even gift tags and coordinated wrapping paper. There is also a brief history of greeting cards as well as information on tools and creative materials, fully-explained techniques for both fabric and paper, clear step-by-step instructions, ready-to-use templates, and an

abundance of clever tips and ideas. Generously illustrated with color photos.
