Debbie Tomkies : Hand-dyed Yarn Craft Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Hand-dyed Yarn Craft Projects:

A dazzling new world of color opens up for knitters and crocheters when they discover how to dye their own yarn. Best of all, only basic kitchen equipment is required. Here are easy-to-follow instructions for creating customized color combinations--from subtle hues to wild, exotic blends--and for using them in 12 eye-catching projects, arranged progressively. Rainbow dyeing is the main technique shown, but spraying, resist, yarn painting, and overdyeing are also thoroughly covered, and readers are encouraged to experiment freely. The knitted projects range from a Colorful Woolly Scarf to a Super-chunky Child's Jumper, and the crocheted items include such stunners as the Ultrawarm

Chenille Scarf, Beaded Wrist Purse, and Sleeveless Top in Wild Thai Silk.
