**Editors of Creative Publishing, The editors of Creative Publishing international : Handcrafted Weddings: Over 100 projects ideas for personalizing your wedding** before purchasing it in order to gage whether or not it would be worth my time, and all praised Handcrafted Weddings: Over 100 projects ideas for personalizing your wedding:

0 of 0 people found the following review helpful. like six ideas...not worth it.By emcat529there weren't really that many ideas in here at all, and definitely not worth the numerous pages they spent trying to make the ideas sound more groundbreaking than they were. just get a pinterest account and save yourself the \$\$ from the book.0 of 0 people found the following review helpful. Five StarsBy carol B BrugierI have enjoyed all 7 books. How do I get more?0 of 0 people found the following review helpful. OutdatedBy SabeneAn okay book. Some good ideas that lead to other better or more current ideas but this book is very outdated. Provider was great though.

This beautiful book will help personalize any wedding. Filled with inspirational ideas that will help create lasting memories of this special day, *Handcrafted Weddings* demonstrates how to plan and stylize all of the romantic elements and custom details for a fabulous, yet affordable, wedding. Inspirational ideas for stationery, flowers, accessories, church decorations, reception decorations and memorabilia. All project details are beautifully photographed and explained with clear step-by-step directions. This invaluable guide is filled with hundreds of suggestions for all styles of weddings. It includes dozens of imaginative ideas for adding a personal touch to any wedding, as well as original ideas that can also save money, such as patterns and instructions for sewing your own wedding veil. Highlights: Includes a multitude of ideas for making wedding accessories and finishing touches for a variety of wedding styles. Makes a great shower gift. More color photos than any competing title. Instructions for making bridal veils in a variety of styles. Information on wedding stationery that includes embossing and die-cutting. Do-it-yourself instructions for making many wedding accessories. There are lots of wedding planner books on the market, but not many in the do-it-yourself category. Ideas shown in the book require only basic sewing skills, if any.

About the Author Creative Publishing international is a worldwide publisher of how-to books. The company's current retail offering includes over 300 titles on topics covering home improvement, home decorating, sewing, crafting, hunting fishing, and photography. Over the past 15 years, CPI has developed high-quality photography step-by-step books with nationally recognized brand partners like Black Decker and Singer.
