Anna Graham : Handmade Style: 23 Must-Have Basics to Stitch, Use, and Wear before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handmade Style: 23 Must-Have Basics to Stitch, Use, and Wear:

1 of 1 people found the following review helpful. Very nice sewing book - glad I ordered By Utah Beautiful coffee table book with a wonderful assortment of patterns. So glad I made this purchase, just had to have the Market Basket pattern. 3 of 3 people found the following review helpful. There are so many great projects in this book that I will be making By mumzie I bought this book after making many, many patterns from Anna. I was so excited to see she had a book coming out. Her patterns are creative, original and WELL thought out. This is more of the same. I have already made one bag from the book and it is just beautiful - starting bag number 2 today. There are so many great projects in this book that I will be making. Another great hit for Anna Graham! 2 of 2 people found the following review helpful. I was disappointed. By Kindle Customer Not what I was hoping for. Very limited projects and instructions that could have been made a lot clearer. I was disappointed.

The first of its kind. Handmade Style showcases blogger Anna Graham's talent for creating cleverly constructed pieces with simple, clean lines. It's the first sewing book ever to present a collection of projects specifically designed to complement each other. And, it's your ticket to creating a cohesive, sophisticated, fresh look from top to bottom for your home. 23 projects that you'll love to wear, to carry, and to use. This thoughtful collection will keep any sewist busy for a full year. Beautiful projects range from small to large. All of them are designed to have broad appeal and meant to coordinate with other projects so you can create the ultimate handmade style for all this and more: Two women's garment patterns Accessories including clutches and bags Home Decor including quilts, baskets and a bench Simplicity is key. Beginner and intermediate sewists will use Graham's construction techniques to improve their skills. Everyone will appreciate the special features that make Handmade Style an outstanding craft book: Each project builds upon the other A unique collection of refined, handmade looks clear illustrations to inspire and instruct Instructions are thoughtfully hand-illustrated throughout in a clean and simple Japanese craft-book style and the inspiring photographs were shot on location near Anna's home. Handmade Style is sure to become every sewist's go-to project book.

Sept/Oct 2015 The modern stitcher who wants to showcase not just a whole wardrobe of sewing excellence but an entire life, too. Handmade style is just the book. Home to a variety of well thought-out creations, these projects will stretch your skills and allow you to build a complete collection of handmade sophistication. Using its easy-to-follow, step-by-step instructions you can create everything from outfits and accessories to quilts and pillows. Make it Today About the Author Anna is a mom to two crazy and incredibly inspiring little girls {her noodleheads}. She lives in Wisconsin with her husband, her daughters and her beagle, Pepper. She loves to sew and be creative. Anna grew up sewing with her mom. It definitely wasn't Anna's favorite thing to do, but she loved being able to create. Having two daughters gave her the drive to start sewing more and after discovering the blogging world in late 2008, she never turned back. In her free time Anna is usually having fun creating, discovering new techniques, and making her house a home. noodle-head.com
