William Heacock : Harry Northwood: The Wheeling Years, 1901-1925 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Harry Northwood: The Wheeling Years, 1901-1925:

0 of 0 people found the following review helpful. Excellent ExperienceBy N. MaciasJust as described and arrived as promised. Excellent experience! ;-)
2 of 2 people found the following review helpful. A Wonderful Facet of Northwood GlassBy A. KillionThe purchase of this book provided an essential link in the study of glass---Northwood Glass in particular. The pictures are wonderful and the information helps one retain and understand how the glass industry has evolved through the last 150 years. I would recommend the companion books: Harry Northwood: The Early Years 1881-1900 and Dugan/Diamond: The Story of Indiana,Pennsylvania glass. Together these three books will provide a good understanding of part of the EARLY AMERICAN PATTERN GLASS era.
2 of 2 people found the following review helpful. Excellent referenceBy ParkerDuofoldVery comprehensive. Well organized. Many, many photos. Very good resource. Interesting reading even if you are not a collector of vintage and antique glass.
