**Lyn Waring : Hats In Miniature** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hats In Miniature:

Elegant top hats and fancy boaters, whimsical berets and sophisticated cloches, sporty caps and something for the chef: these charming miniature hats are perfect for dolls, teddy bears...and just to show off! Complete patterns for each one, along with instructions on equipment, collars, seams, cutting, notches, batting, and other materials make the task simple. Bonus: instructions on making a hat stand, so you can display your creations! 128 pages (all in color), 8 1/2 x 10.
