It gives directions for dressing these dolls and embellishing them as they were in the days of yore! The patterns are included,directions are easy to read and follow. If you're not handy bring the instructions for a custom outfit to your favorite seamstress to whip up for you! This book stirs the creative juices and allows you to better appreciate the creative talents and painstaking efforts of others. Enjoy!0 of 0 people found the following review helpful. Five StarsBy

pzmackPerfect how to book for 1/2 dolls , this book condition is very much as expected
