Stevens' Embroiderer's Year: Exquisite Embroideries Celebrating the Ever-Changing Seasons:

NEW IN PAPERBACK Inspired by the changing seasons and special celebrations throughout the year, Helen M. Stevens has created twelve splendid collections of embroideries, one for each month. The diversity of the natural

world is caught through her use of colour, inspired use of threads and accurate observations. The detail of the stitching is captured in superb colour plates and her description of each piece provides the encouragement to stitch exquisite embroideries of your own.
