William Shakespeare : Henry V: The Graphic Novel (Classic Graphic Novel Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Henry V: The Graphic Novel (Classic Graphic Novel Collection):

0 of 0 people found the following review helpful. Excellent teaching tool!By Tara BurtonMy 8 10 year old loved reading it as they followed along with the Blackstone audio version of Henry V.0 of 0 people found the following

review helpful. Excellent!!!!By Adam PapageorgeThe life of Henry V has always interested me (especially his actions at agincourt). I have never ever, ever had any interest in shakespeare what so ever...then I saw Kenneth Branaghs film. It was Very, VERY Good, and when I saw this graphic novel, I had to have it! In all honesty, I loved it more than the movie(s)!!! The art is by far the best of any comic/graphic novel I've ever read!!! It really adds to the feel of everything and combined with the dialogue, AMAZING!!! The Shakespearean English makes it all even more enjoyable(though it is somewhat difficult to understand at times, think the King James Bible). There is some French in the comic (without translation) but it's easily translated on the internet. I highly recommend this comic to anyone and everyone! I don't care if you hate shakespeare with every bone in your body, BUY IT (this is coming from someone who hated shakespeare until this book..and the movie)0 of 0 people found the following review helpful. ORIGINAL TEXT!!!By L. SmithThis was a gift for hubby and he is a Shakespeare LOVER. We now have a 3.5 year old son hubby is looking for ways to introduce Shakespeare for Lil 'K. He already LOVES the story of Tempest. Henry V is a little um.... unattractive to a preschooler, I would guess, just because it is missing the storm prospero the funny antics of Tempest, but with the Graphic Novel, maybe the pictures will keep his attention enough for him to start grasping the story. I hope. :)

Classic Graphic Novels, the new collection from Lucent Books, brings the classics to life for a whole new generation of readers. Designed especially for young fans of the classics, comic book buffs and reluctant readers, this collection utilizes a fresh blend of contemporary storytelling and captivating artwork to entertain, educate and encourage students to return to these stories again and again.
