John Edmonds : History of Woad and the Medieval Woad Vat (Historic Dyes) before purchasing it in order to gauge whether or not it would be worth my time, and all praised History of Woad and the Medieval Woad Vat (Historic Dyes):

Examination of the significance of woad, the natural blue dyestuff which was one of the most important commodities in medieval international trade. This compact book looks at woad's commercial history as well as the practicalities of its manufacture.
