If you have had experience crocheting with larger yarns, the change over to this smaller size will be a breeze. The difficulty level is listed as easy, and for someone with experience it is. The beginner should do pretty well with the basic instructions for this book; but might want to try it with a bigger hook and yarn to learn how. Over all, I highly recommend this book. You will see quick success in the patterns.0 of 0 people found the following review helpful. Five StarsBy Phyllis SmithCute patterns. just what I wanted for the holidays!

Featuring nine, easy to crochet patterns for 5" dolls, this holiday craft resource contains detailed patterns and stitching

instructions. The fine detail of these dolls will delight crafters and holiday guests alike.
