Beautiful photos of knitting projects By Beth Jinkerson The book is a good mix of moderate to advanced knitting projects that would make good gifts for any occasion. Some of the patterns focus on holidays, such as Christmas Stockings to hang at the fireplace, while others are all-purpose items such as afghans or mittens. The photography puts you in a holiday mood. The directions are clear and well organized, starting with quick projects and progressing to more time-intensive challenges. 0 of 0 people found the following review helpful. Great Book By Cate Smith I have not made anything from it but I really want to. Look like clear directions and nice pictures of finished work would be a good book for a newbie knitter who want to get a few gift under their belt.
