If you need an idea for a gift for the season, this is a good book to have. It jumps right into the projects of which there are six.A photo of the project, a skill

level and the finished size start the directions. A paragraph about the project is next, followed by a materials and cutting list. These are written clearly. Making the quilt is the next set of directions and contains graphics to help you understand the written directions. Templates are provided but need to be enlarged. Finishing directions complete the pattern. Tips are found throughout the book in a box with a red and white striped top. Beginner and Intermediate are the skill levels for the projects so you don't need to be a 20 year veteran to make any of these. The projects range from a card holder, to a Tree Skirt to a quilt. Each author has a good sized paragraph about how she got where she is. Grab this book now and you will have wonderful presents to give when the Season arrives.

From gleaming stars to candy-jar sweets, cozy mittens to holiday blooms, add sparkle to your holiday decorating with these versatile quilts. * Six projects include wall hangings, lap quilts, table toppers, and more.* Learn how to turn the Starlight Table Topper into a tree skirt or a Christmas wreath wall hanging* Find tips on adapting each project to other holidays, seasons, and special events

A lovely little book with 6 projects to make in a hurry to decorate your house for Christmas. From a little poinsettia quilt to a quilted Christmas card holder through to the cover quilt featuring mittens, everything is charming! --Reader's Corner, Quiltmania Magazine
