The twelve crafty and cute ornament patterns will make this a great dis-play piece for the winter. Take a new twist on a familiar technique with Becky's Innovative Applique method. Finished quilt size measures approximately 59 x 79 inches..

About the Author Becky Campbell has been sewing for years. She started making her own clothes, progressed to prom dresses, and then to her wedding dress. She moved on to household items, curtains, pillows-whatever she happened to need. She also decorated her house with all sorts of needlework. Always excited to learn new skills, Becky took a quilting class in the early 90s and fell in love. Quilting is a skill that can always be expanded. Fabric is her paintbrush and imagination her background.
