**Jerry Carr-Brion : Home Grown Blueberries: The Step-By-Step Handbook to Growing Blueberries from Home** before purchasing it in order to gage whether or not it would be worth my time, and all praised Home Grown Blueberries: The Step-By-Step Handbook to Growing Blueberries from Home:

Home Grown Blueberries - The Step-By-Step Handbook to Growing Blueberries from Home Blueberries are now established as a valuable superfood, since they are high in anti-oxidants and vitamins. You will obtain significant amounts of vitamins C and E from eating blueberries. They are also a good source of the trace mineral manganese. Fresh blueberries taste so much better than those that have sat around in trucks and stores for days on end. Pick and eat your blueberries immediately, before they start losing their vitamins. More and more people are now growing their own fruit, so why not join them?
