before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Homemade Lotion : 41 All Natural Simple Easy To Make Body Lotions, Body Butters Lotion Bars: Amazing Organic Recipes To Heal, Nourish Revitalize Your Skin Reverse The Signs Of Aging (Volume 2)*:

Not because of the recipe ingredients but because of the many errors in most of the directions. Most directions do not fit with the ingredient list and can be confusing for one with no prior lotion, cream making knowledge. It is a basic book with ideas for blends of oils to use but not well put together. 2 of 2 people found the following review helpful. *Disappointed* By xical I was looking forward to having new body butter recipes to try in this book but I was very disappointed. A lot of recipes are the same with just different essential oils and there are several errors. Oh well...it's not the first time I've wasted money and I'm sure it won't be the last. Save your money and look up recipes on Pinterest! 0 of 0 people found the following review helpful. *Good book* By TAW Easy to read and follow. Nice recipes.
