us the most moisturized and youthful skin. But don't you know that we can make our own lotion at home? Yes we can. This book has all ideas on how to make the homemade lotion easily and conveniently. There are lotion bars recipes, body lotion recipes, hand lotion recipes, body butter recipes, sunblock lotion recipes and even homemade lotion for people who have eczema. From this book we will learn all of them easily and clear. They are written very easy to understand and the ingredients we will find accessible naturally and organically. I have learned so much that the basic ingredients of making the homemade lotion are water and oil. This is so basic and everyone beginners or not will really make it by their own. Great guide to homemade lotion. 0 of 0 people found the following review helpful. The question is do you know what is in your lotion? By Brian S. Ever thought about what kind of ingredients are in your lotions? I have found out that the lotion that used for the longest time contained an ingredient that causes cancer!! After reading about this I decided to never buy any kind of skin care product ever again. Than my skin began to get dry, So i decided to purchase this book from a friend's recommendation and Now I have glowing younger looking skin than before. I highly recommend this book and follow every tips and tricks that are given in this book 0 of 0 people found the following review helpful. Just ok By alicia emery Very bland and basic recipes. Far better and more instructive recipes on the internet. Dissapointed i paid for this "book".

Create the perfect organic lotion Have you already tried using different lotions for your skin and still get the same results? Are you tired of being failed by your lotions in getting a healthy skin over and over again? Is it hurting your pocket because they are expensive? Worry no more because this book is about to help you! Commercial lotions contain harmful chemicals and most of us do not even know it. They are doing more harm than good in the long-run. They contain toxins that may even cause cancer. They are unhealthy and may be expensive too. That is why you need to make that shift to an all-natural lotion that is good and healthy for your skin.
