Editors of Publications International Ltd. : Homemade Recipes (Recipe Binder) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Homemade Recipes (Recipe Binder):

1 of 1 people found the following review helpful. Just what I was looking for! By Kindle Customer I think that this recipe book is lovely. I love Susan Branch so I was excited to find a book that I could write in all of the recipes that have accumulated in my kitchen junk drawer! The book is a nice size that it doesn't take up too much room but is substantial enough to hold a good bit of recipes. I also like that it is a binder style book so that you can add and remove pages as you see fit. It also includes dividers for the following categories: appetizers, main dishes, grilling, side dishes, cookies, and desserts; as well as cooking tips for each of those categories. There are five clear plastic plastic pouches to put recipes in until you can write them down or to keep that handwritten recipe from grandma. I can't wait to finish copying all of my recipes in it that I accumulate from the Internet. So much easier to have them all together in one easy book in my opinion. 0 of 0 people found the following review helpful. Five Stars By Customer Love Susan Branch artistry for her books. She gives you everything you need to start your own book. 0 of 0 people found the following review helpful. ... expected - kind of a "scrap booking" layout with beautifully illustrated recipe card inserts and pages - lots of ... By Donovan I ordered this because my granddaughter had requested that I write some family recipes down for her to keep - way more than I expected - kind of a "scrap booking" layout with beautifully illustrated recipe card inserts and pages - lots of stickers and labels to use - many pretty pages for her to add more recipes as she wishes - also a nice sized 3 ring binder so additional items can be added later. Very pleased - picture and description

on doesn't really do the book justice

This 11.5" x 11.5" hardcover binder recipe keeper includes: 1 capacity pocket, 6 pattern sheets, 20 recipe cards, 2 sticker sheets, 2 die-cut sheets, 8.5"x11" perforated scrapbook sheets (20), 6 tabbed pocket dividers, 10 recipe card protectors, 10 plastic page protectors
