Jenny Soniashire : Homemade Shampoo: Discover And Learn These 9 Top Benefits Of Making Your Own Homemade Shampoo (hair care, hair loss, natural hair, natural hair care, homemade shampoo) before purchasing it in order to gage whether or not it would be worth my time, and all praised Homemade Shampoo:

Discover And Learn These 9 Top Benefits Of Making Your Own Homemade Shampoo (hair care, hair loss, natural hair, natural hair care, homemade shampoo):

0 of 0 people found the following review helpful. Not a recipe book. By Customer I was honestly expecting actual recipes for shampoos, rather than something written like an infomercial. For someone like me who is familiar with natural ingredients, this reads more like a brochure one would pick up at a farmer's market at a stall selling their own products. I'm glad I got it for free. If you are a beginner and are not looking to make your own products just yet, this might be a good read for you. 0 of 0 people found the following review helpful. Couldn't read book until I reviewed. By Mel Asking way to early in the book. I can not make an informed opinion yet. Would prefer to read first, then review
