Many of these recipes are easy to adapt to your own needs and use ingredients ...By Alyssa OliVery practical guide in making your own chemical-free shampoos at home. Many of these recipes are easy to adapt to your own needs and use ingredients that are easy to find. Best of all, the recipes are simple and fast to make. I am very happy with this book. If you're interested in making organic shampoo, then this is as good a place as any to start your own research.1 of 1 people found the following review helpful. Five StarsBy cayokeleyNeat recipes. Thanks0 of 0 people found the following review helpful. Four StarsBy Barbara BieranowskiLove the book. Would like to have more in it though.

Create Your Own Homemade Organic Shampoo Without Harmful Chemicals for Healthy, Shiny, and Lustrous Hair Today! We all desire to be healthier and today, more than ever, people are taking steps to live more organically, saying no to chemicals and yes to nature-made ingredients. Yet, most people do not consider their shampoo yet. How about you? If you havent, this book is one that you will not want to pass by. In this book, youll learn everything you need to know about not only why you want to begin making your own shampoo, but also how to go about creating homemade shampoo blends that are wonderful, fragrant custom blends that give you the type of hair that you long to have minus one thing; those expensive salon prices! If that sounds great to you, it is time to give your hair the best indulgences possible in a budget friendly, natural way. **SCROLL UP AND CLICK BUY TO ORDER YOUR COPY INSTANTLY**
