**From Brand: Martingale n Company : Hooked on Wool: Rugs, Quilts, and More** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hooked on Wool: Rugs, Quilts, and More:

4 of 4 people found the following review helpful. Wonderful Book For Beginners and The ExperiencedBy RonJAs someone relatively new to rug hooking, I found this to be a great reference book. It contains 13 projects, each with detailed instructions and resizable patterns. If you know how to do each of the art forms, the patterns can all be used for rug hooking, wool applique, or punch needle, though only one technique is shown for each pattern. There is a brief primer on wool and how to prepare it for your project,how to make templates, how to prepare appliques, stitching techniques, hoops and frames, how to hook and finish a rug, and much more. There are lots of great color photos.0 of 0 people found the following review helpful. Five StarsBy Charlene C. ManniganExcellent book0 of 0 people found the following review helpful. Three StarsBy suecitysueas expected

It's wonderfully tactile and surprisingly simple-no wonder crafters everywhere are getting "hooked" on wool! From folk-art accents to funky accessories, these hooked and appliqued projects will wow crafters with their quick-and-easy appeal.
