Anne-Marie Littenberg : Hooked Rug Landscapes (Framework) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hooked Rug Landscapes (Framework):

14 of 14 people found the following review helpful. Hooked Rug LandscapesBy anyomousThe author of this book has produced a superb book. She has organized the book into chapters which take you on a journey of creating a hooked landscape using numerous color pictures of the work of a variety of rug hooking artists to illustrate her points. She highlights various techniques in the picture captions. The book is extremely well-written and organized; you will read it again and again. It is a wealth of information that belongs in every artist's library and is a favorite of my students.0 of 0 people found the following review helpful. Something to aspire toBy MimiDosI am new to rug hooking, and have only hooked a few primitive squares. As I perused photos in books and online to see what I might do next, I bookmarked again and again hooked rug landscapes more than any other design. I love this book! The author breaks

down the process of hooking landscapes chapter by chapter from "Selecting a Subject" to "Evaluating Your Work". Even though it may be ambitious for my skills so far, I feel I can take on the challenge with this book as a guide.0 of 0 people found the following review helpful. Great gift. My second book by AML and each ...By RonValentine's Day gift! Great gift. My second book by AML and each one goes into depth on the topic, something when you want information you can always go back to for inspiration and suggestions on how to achieve a better perspective. Sorry the holidays are lessening these days, I love great books as gift, thanks again.

Explains the art of designing and hooking landscapes Step-by-step instructions on designing the rug How to achieve the sense of depth plus techniques for various elements Take the intimidation out of hooking realistic or impressionistic landscapes with this full-color book that leads the reader step-by-step through the process of designing and hooking a rug landscape. Author Anne-Marie Littenberg combines the craft of rug hooking with basic art skills used for centuries, guiding readers through inspiration, design, and planning stages, including chapters on perspective, contrast, and color. Hooked Rug Landscapes contains tips and tricks for evaluating one's work, as well as providing specific techniques for various elements. This book is an indispensable tool for those who wish to hook landscape designs.

About the Author Anne-Marie Littenberg lives in Burlington, Vermont, with her husband, Ben, and is the past president of the Green Mountain Rug Hooking Guild. She is a frequent contributor to Rug Hooking magazine and has served as a judge for Rug Hooking magazine's annual Celebration of Hand-Hooked Rugs.
