Leslie Linsley : Hooked Rugs: An American Folk Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hooked Rugs: An American Folk Art:

2 of 2 people found the following review helpful. Great book for folk art and hooked rug artists and collectors. By L. Rowley This is a very nice book. Most of the rugs have never been featured in any other books on rug hooking, and the author has even included patterns for some of the rugs. The rugs are appropriately displayed in homes of the same genre which just makes you love the book, the homes and the rugs even more. I love the folk art flavor of these rugs and this book will definitely be among my favorites. 2 of 2 people found the following review helpful. packaged beautifully. By suecitysue lovely book . packaged beautifully. 1 of 1 people found the following review helpful. Recommend By nanpleased with book

An illustrated guide to the art and technique of rug-hooking provides full-color reproductions of more than 150 outstanding examples, as well as scale patterns, easy-to-follow directions for creating hooked rugs, and advice on rug care. 25,000 first printing.
