From the rough-hewn charm of the hand-hooked rag rugs of the Colonials, to the stylized centuries-old motifs of Oriental and Aubusson designs, to the glowing colors and sweeping geometrics of modern-day ryas, rug-hooking has grown from a utilitarian handcraft to a new aesthetic medium used by such contemporary artists as Stewart Davis and Sheila Hicks. The basic techniques are very quickly mastered. The wealth of thoroughly modern materials available to you will make even large projects go very quickly. Special sections on each of the major techniques - latchet hooking, punch needle, and rya methods - contain complete instructions and dozens of explanatory illustrations and photographs. Discussed in full detail are tools, materials, color choice....."
