Ann Davies, Emma Tennant : Hooked Rugs before purchasing it in order to gage whether or not it would be worth my time, and all praised Hooked Rugs:

0 of 0 people found the following review helpful. Five StarsBy Peroxide ElkNice book, well done!0 of 0 people found the following review helpful. Five StarsBy pat sizemoreGreat book0 of 0 people found the following review helpful. Five StarsBy Elizabeth A KingGreat book - in excellent condition - wonderful price

1995 Sterling Museum hardcover, Ann Davies (How to Make Hand-Hooked Rag Rugs), Emma Tennant. a collection of 25 easy-to-follow rug designs suitable for beginners and experienced rug makers alike

From Library JournalThe hooked rug, often regarded as a purely American craft originating in the 19th century, was popular in Scotland and northern England in the late 18th century and may have its origins there. This book of projects by British and American artists has detailed instructions, lists of materials, and suggestions for dyeing raw materials. The designs, many of them for animals and plants in folk art style, are less sophisticated than those in Thom Boswell's The Rug Hook Book (LJ 3/1/93), but this book has better step-by-step instructions accompanying the projects.Copyright 1996 Reed Business Information, Inc.
