In this book, youll find step-by-step projects, a list of what tools youll need, and instructions on how to set your machines, as well as guidelines on how to finish up a variety of projects such as wine racks, paper towel holders, bowls, and picture frames. Additionally, included are tips on creating a host of outdoor ornaments such as wind chimes, flower pot holders, crosses, and more for dcor that will be a welcome addition anywhere. Richly photographed and filled with step-by-step instructions, Horseshoe Crafts will help you weld an array of fun and inventive home furnishings.

About the Author BarbieTheWelder started working for a custom fabrication shop out of school in 2008. She began her own shop in her garage a few years later and quickly went to work designing and crafting everything from a three-tier chandelier to a steampunk owl to a chain-pup table. She enjoys the challenge of designing and handcrafting unique home dcor as well as furniture. Her art is crafted from mostly repurposed and found materials, giving a second life to items that have been discarded. She is from Erin, New York.
